

The Beauty of Nam Chung

Partnership For Eco Agriculture and Conservation of Earth (PEACE)

Have you been there before?

Do you remember her name?

Whether in Spring,

in Autumn,

in Winter

or in Summer

her beauty is amazingly impressed you

Her name is
Nam Chung
where nearby Luk Keng

The sky of Nam Chung, painted with
the faded blue.

The water in Nam Chung peacefully sits still.

The soil in Nam Chung is full of organic matters.

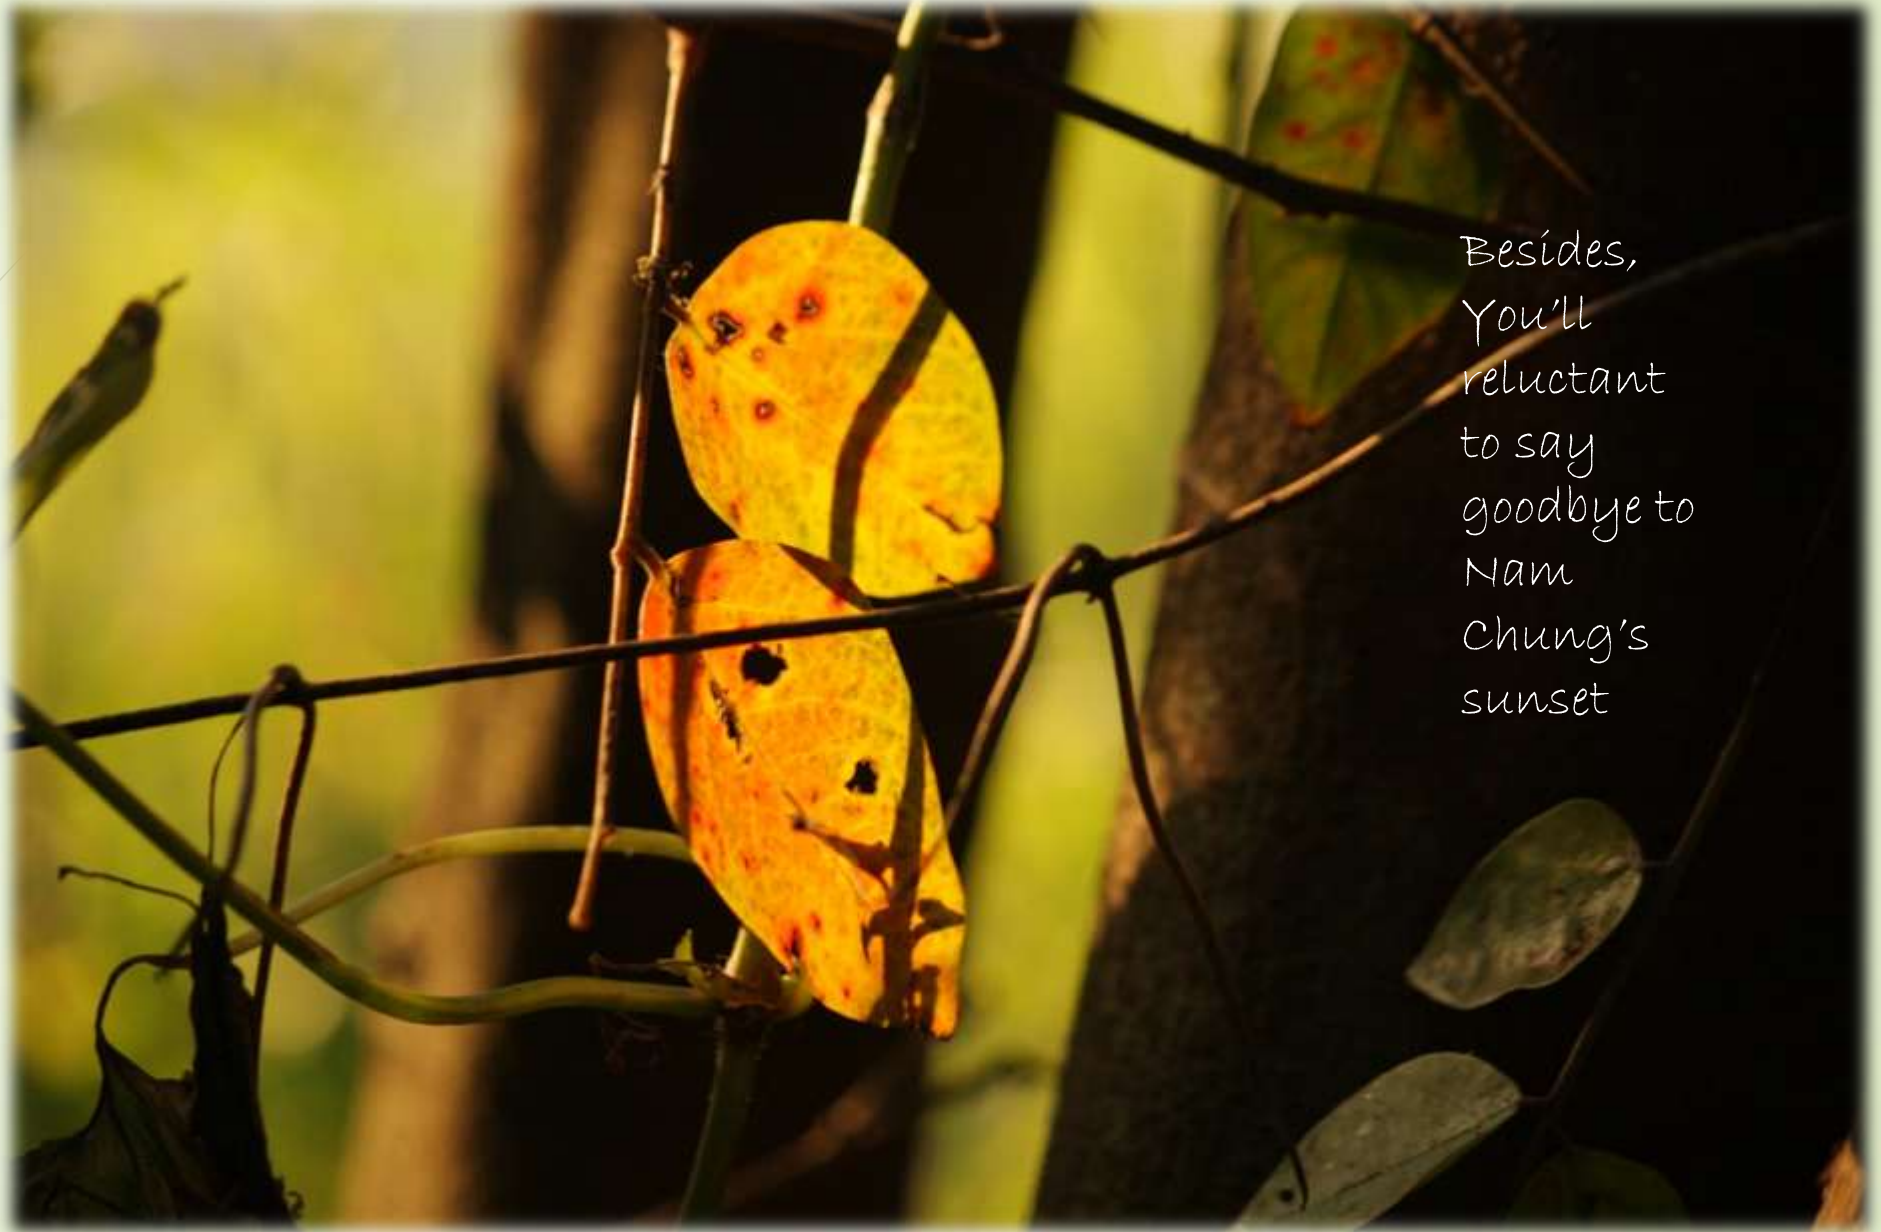

Being watching the playful big and small animal friends, it brings us back to our childhood memories.

Besides,
You'll
reluctant
to say
goodbye to
Nam
Chung's
sunset

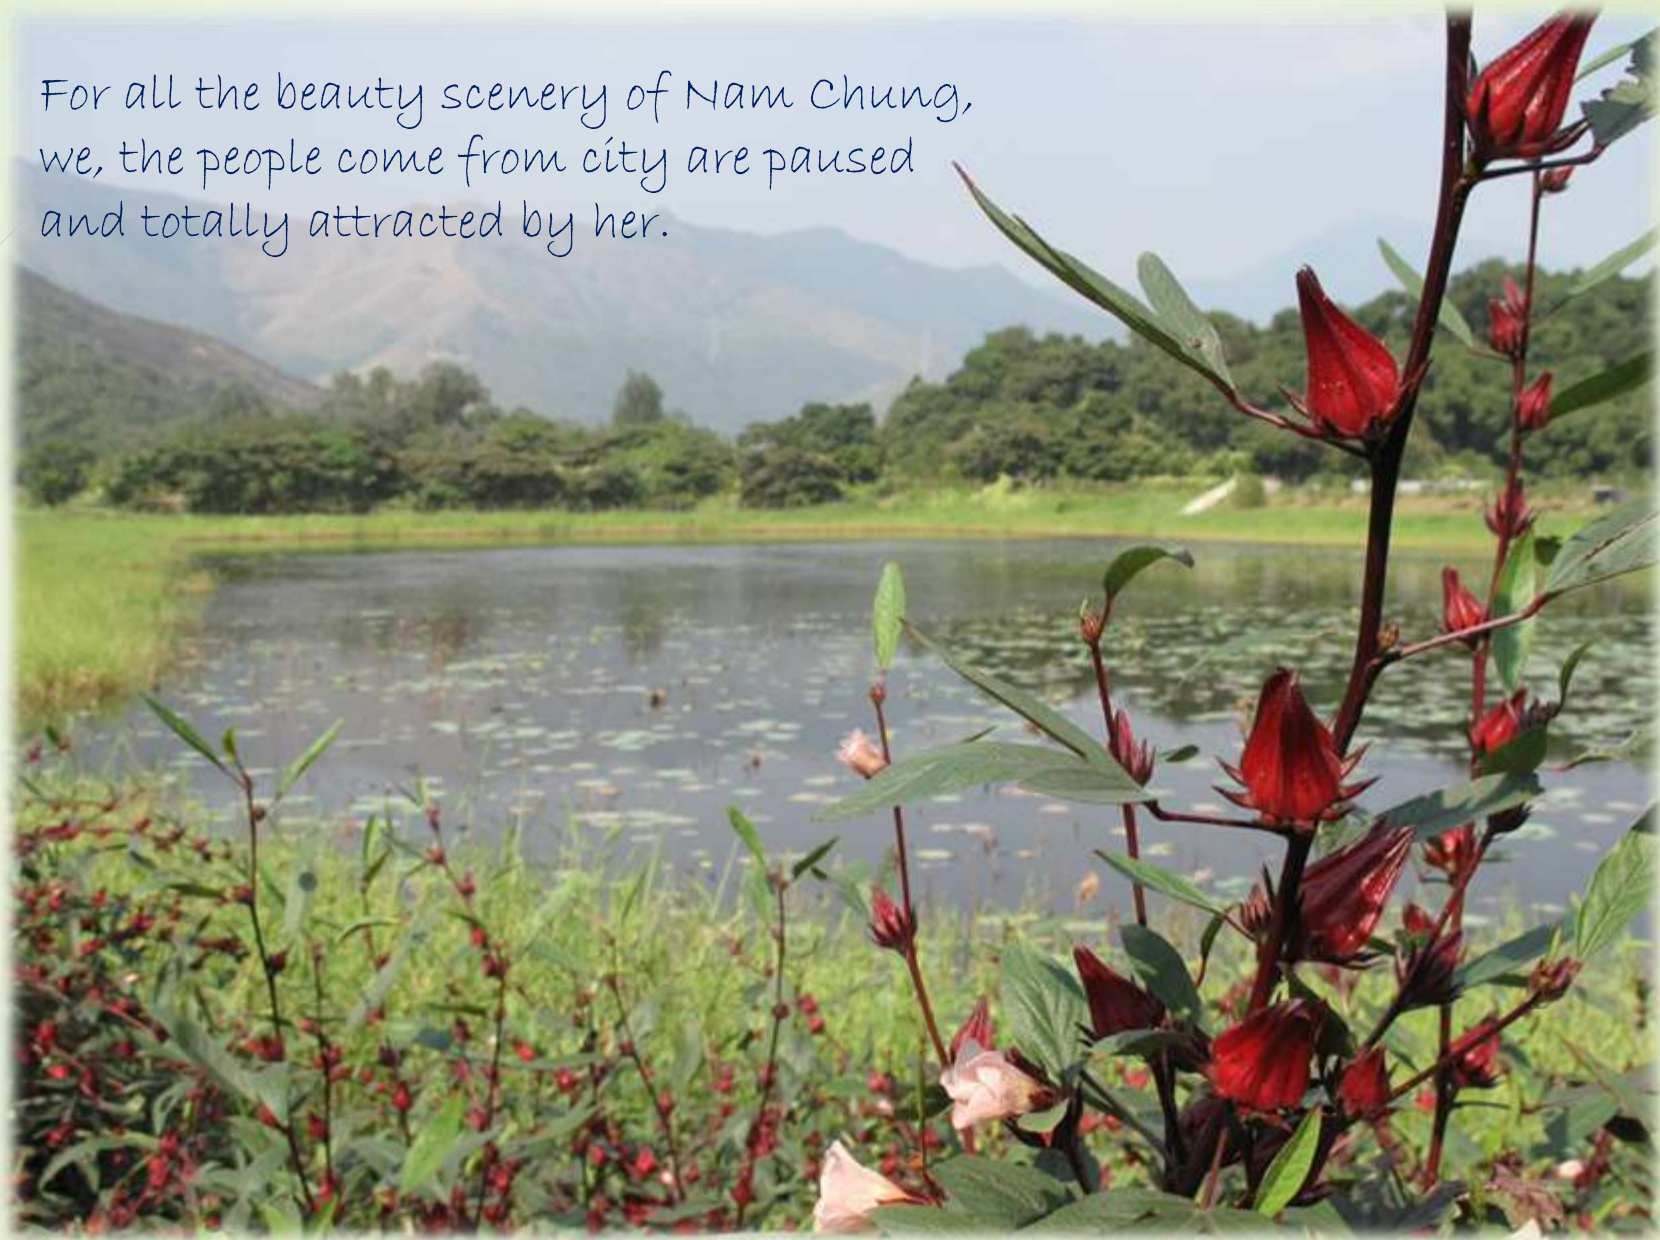

For all the beauty scenery of Nam Chung,
we, the people come from city are paused
and totally attracted by her.

The three visions we have:

Nourish the earth; Cultivate our spirit; Care the community

The three scope of work:

Living

We provide a platform in order to promote
holistic ecological education and life practices

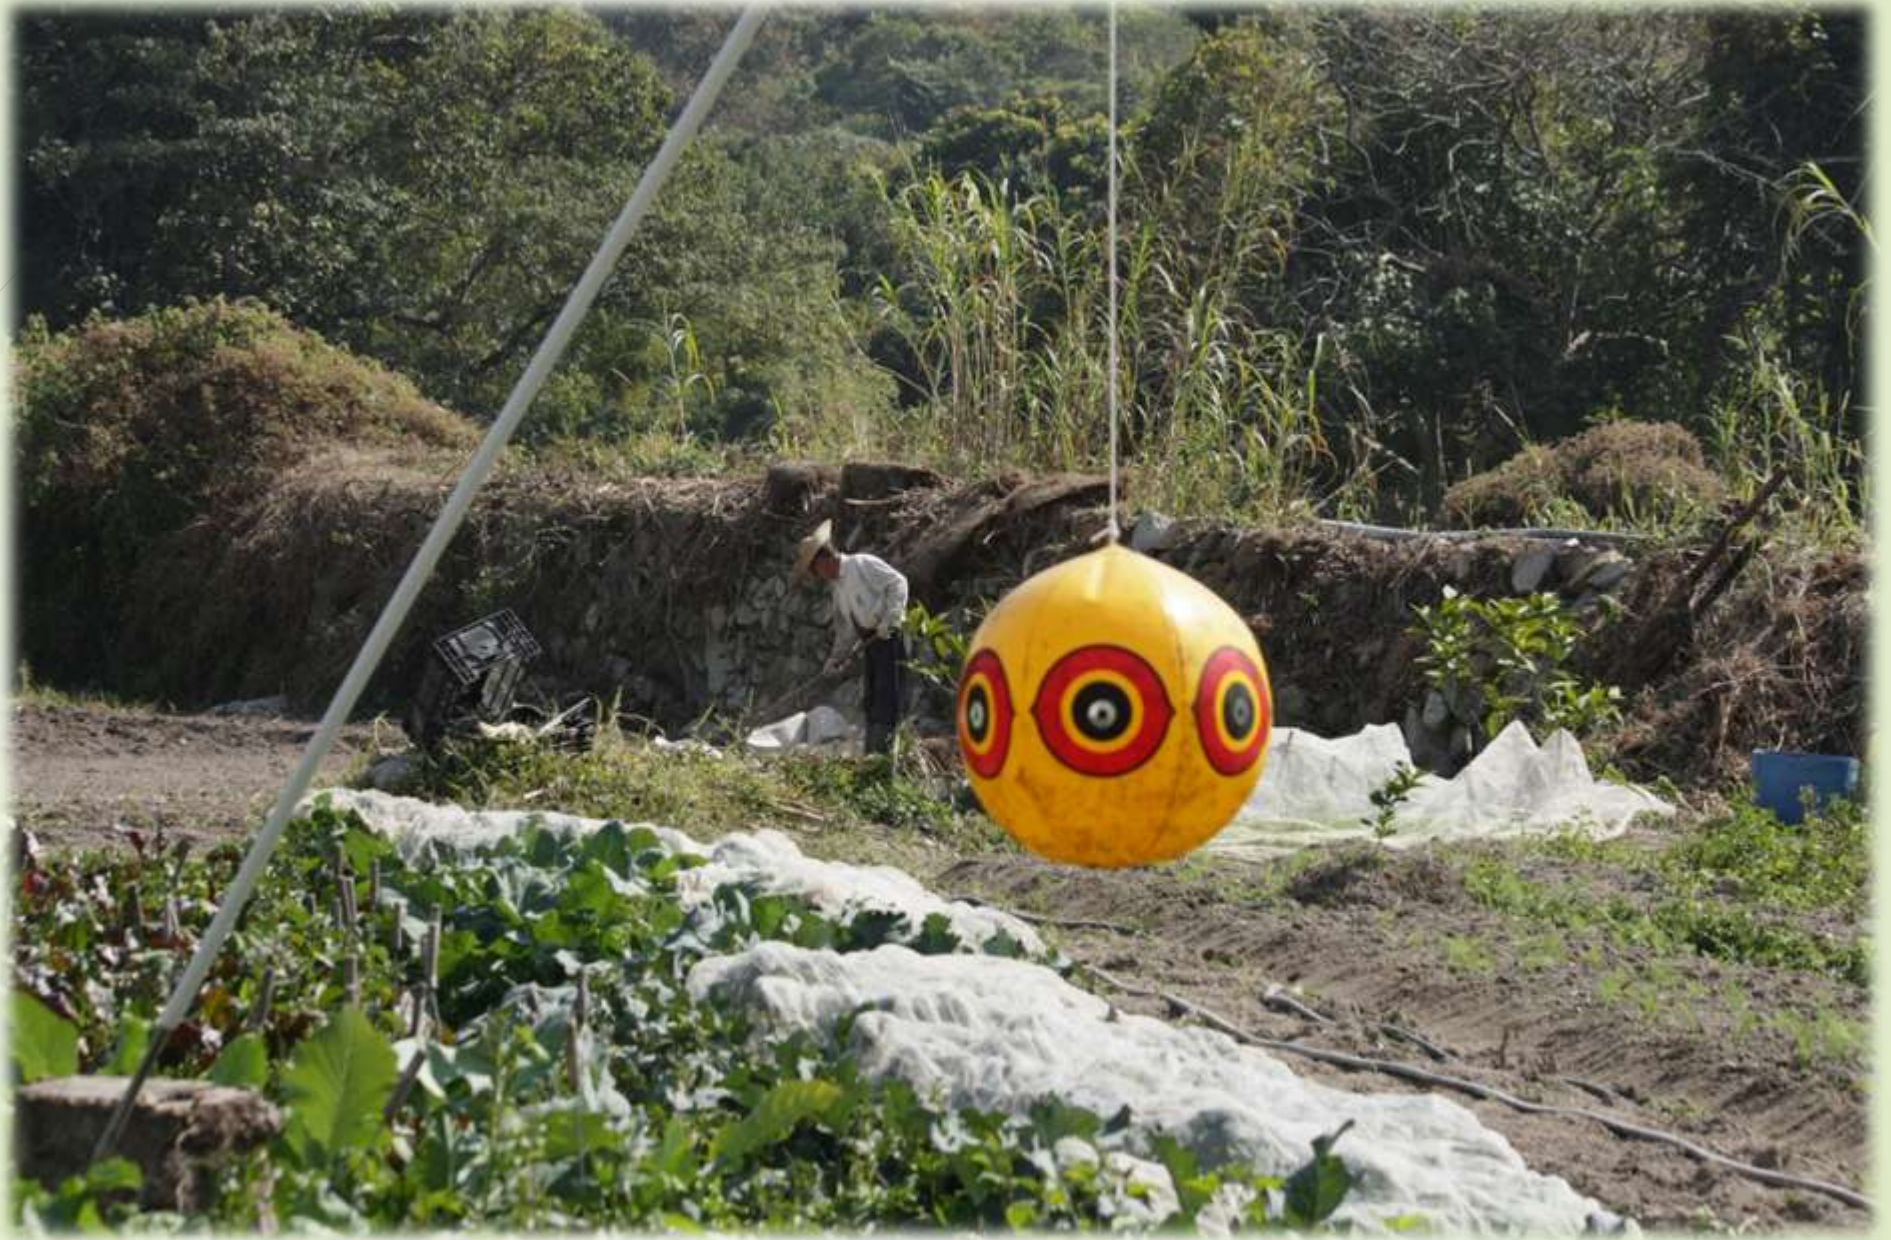

Cultivation

We promote revive farming practices in sustainable way and hand made process food.

Construction

We also promote harmonized constructions including pond management, building ecological houses, and preserve rural and agricultural culture.

Long-term direction of the Nam Chung Land Conservation Movement
